AOC 898 SERIES HD LCD TVS NOW AVAILABLE AT RADIOSHACK, TARGET AND OTHER NATIONAL RETAILERS

(MIAMI April 27, 2009) – [AOC](#), the world's largest display manufacturer, has joined forces with several trusted national retailers to offer online shoppers industry-leading HD display technology backed by over 60 years of design and manufacturing experience. The competitively priced 898 AOC HD LCD TV series is now available for purchase through [RadioShack](#), [Target](#), [NewEgg.com](#) and other national retailers in-store and through their ecommerce sites.

**AOC Envision Series 24" LCD HDTV
Model#: L24H898**

AOC displays have earned a reputation for selling user-friendly, technologically advanced displays and HD LCD TVs. The AOC 898 series includes 19", 24" and 26" models and is part of a recently introduced value line. Displays in the series combine digital TV performance with a sleek look while upholding AOC's reputation for selling user-friendly, technologically advanced displays that fit seamlessly into consumers' digital lifestyle at very affordable price points.

"AOC is proud to partner with online retail outlets such as RadioShack.com and Target.com," said Robert Velez, marketing manager for AOC Americas. "AOC believes that price and the quality of our products matter most to consumers. We are always seeking ways to provide our customers with extraordinary AOC displays at an exceptional value."
